### **Town & Country Bank and Trust Co. Announces New President/CEO**

Town & Country Bank and Trust Co. (TCBT) is pleased to announce the appointment of David Greenwell as President and CEO of the Bank. Mr. Greenwell will replace retiring President and CEO Raffo Wimsett who has served in the position since April 2014.

Greenwell started his banking career at National City Bank in 2003 and joined TCBT as a lender in 2011. He served in various roles before being named to the Executive team as Chief Credit officer in April 2016.

David Greenwell, a native of Bardstown, KY, earned his bachelor's degree in Management and Supervision from Saint Catharine College and holds his master's degree in Accountancy from the University of Phoenix. In 2019, he completed the Graduate School of Banking at Colorado's Executive Development Program for Community Bankers.

Board Chairman Steve Hamilton notes that "Raffo's inclusive, team-building style of management, coupled with his patience and diligence is a big part of the reason Town & Country Bank and Trust Co. has achieved market-leading performance the past several years. The board and I are excited that David will be leading our bank and continuing the tradition of excellence that has been the hallmark of Town & Country Bank and Trust Co. for well over a century."

Board Vice Chairman Bill Conway added that "we are very fortunate to have David Greenwell, a very sharp individual, on our team. He will be great at continuing the path of Town and Country Bank moving forward."

Mr. Conway also thanked Raffo for his years of service. "The Board of Directors, Shareholders, Employees and Customers are extremely grateful for the 38 years that Raffo dedicated to Town and

Country Bank. We all owe him a lot of thanks for the growth and strong performance of the bank under his leadership.”

Mr. Wimsett noted his appreciation. “It’s been my pleasure to be a part of this great Bank for 38 years, and an honor to serve as President/CEO for the past seven years. I have worked closely with David as a member of our Executive Management Team for over five years and I can assure you he is more than prepared to lead our bank to continued success for many years to come. David has the support of a very experienced Executive Management Team and a dedicated team of Employees that could be considered one of the best leadership teams in the world of community banking.

I appreciate the opportunity and thank our shareholders, customers, employees, directors, and members of our community for your support. I am looking forward to slowing down and spending more time with my wife and our family and hopefully sharpening up my golf game.”
