**TCBT Announces Limited Lobby Access beginning Monday, January 25<sup>th</sup>, 2021**

On behalf of your TCBT family we hope that you are having a healthy and safe Holiday season.

We wanted to share that we have revised the date for limited access to our banking center lobbies.

Beginning Monday, January 25<sup>th</sup>, 2021, we will begin providing limited access to our banking center lobbies. With that said, we recommend that you continue to make an appointment to meet with a Loan Officer, to open or close an account, or to access your Safe Deposit Box.

While in the banking centers we ask that you observe the recommended social distancing guidelines and make use of the hand sanitizing stations we have placed throughout each location. Our employees will be wearing masks and we request that those entering our banking centers don a mask as well.

If you are experiencing COVID-19 symptoms, have been in contact with someone experiencing those symptoms, have been diagnosed with COVID-19 or in contact with someone diagnosed we ask that you refrain from entering the banking centers. Likewise, if you are otherwise ill or immune compromised you may choose to continue to utilize our drive thru or other remote banking services to facilitate your transactions.

“It’s no secret that this year has been unlike any other.” stated President and CEO Raffo Wimsett. “We appreciate the patience and understanding that you have shown us. As we wrap up 2020, we wish you and your family a Merry Christmas and Happy New Year. We are looking forward to seeing you in the New Year as we continue to serve our communities the best we can.”
